Model #: WSGS5030SW

30-inch Gas Smart Range with Air Cooking Technology

Experience the difference of Air Cooking Technology with this Whirlpool 30 inch gas range. Get crispy with our most advanced No Preheat Air Fry mode, and even results on every rack with Air Baking. Cook up all that delights, all at once with Griddle Zone, make feel good meals with a variety of Cooking Modes, and tackle your to-do list with smart features built for multitasking.

Features:

- Air Cooking Technology: Experience the difference* with the dynamic airflow and intense heat of No Preheat Air Fry and Air Baking. *Compared to thermal bake.
- No Preheat Air Fry: Save time* with No Preheat Air Fry. Our most advanced air fry mode delivers the right heat at the right time, while using less oil than traditional deep frying. Get fast, crispy, tasty results with No Preheat Air Fry. *Compared to WFE550S0LZ
- Air Baking: Go from gooey to golden and get even results when baking on multiple racks with Air Baking. Our high-speed fan optimizes air flow and drives consistent heat throughout the oven. Get golden results on breads, pastries and more.
- 10 Cooking Modes: Take your favorite meals from fresh, fridge or freezer to fabulous with the Air Cooking Technology of No Preheat Air Fry, Air Baking, Air Roast, Air Broil and Air Reheat, or use traditional heating modes like No Preheat Mode, Bake, Slow Cook, Broil, and Keep Warm.
- Griddle Zone: Bring a whole new world of cooking capabilities to your cooktop with Griddle Zone. Two individual heating elements combine to form one larger one, making it easy to cook up all that delights, all at once.
- Edge-to-Edge Grates: Enjoy plenty of space to sauté, boil and simmer with Edge-to-Edge Cast-Iron Grates and the flexibility of a cooktop with a range of burner sizes and power levels.
- Steam & Self Clean Cycles: Easily clean your oven with the adjustable Self Clean cycle that can be customized based on the amount of spills and splatters. For lighter messes, use the Steam Clean setting to quickly and easily loosen residue inside the oven without harsh chemicals or cleaners—just add water, run the cycle and wipe away.
- SpeedHeat™ Burner: Use the SpeedHeat™ Burner to boil 20% faster* with high heat, so you can get dinner to the table quickly.
- Air Broil: Melt, char and sear in a snap with Air Broil. Our high-speed fan drives air flow to drives intense heat directly to the top of the oven. Prepare juicy chops, crispy vegetables and gooey s'mores with the added power of intense air-driven heat.
- Air Roast: Seal in flavors and juices for meat and poultry with Air Roast. Our high-speed fan drives air flow to optimize heat through longer cook times. Enjoy the full flavor of hearty dishes like pot roast and whole chicken.
- Air Reheat: Connect your range to skip microwaving and add crispness to leftovers with Air Reheat. Our high-speed fan delivers the right heat at the right time to quickly bring food up to temp. Add life back to leftovers like pizza and more with Air Reheat.
- Slow Cook: Heat up all day dishes with Slow Cook. Our high speed fan optimizes air flow to maintain a low, even temperature for longer cook times to thoroughly heat up your food. Tackle your to-do list while soups, pastas and roasts come to temp without the worry.
- No Preheat Mode: Take preheating off your plate and cook up frozen faves with No Preheat Mode. Simply press a few buttons and let your oven calculate the proper cooking time.
- Broil: Redefine mealtime with Broil to make crispy-melty nachos, juicy-seared meat, toasty grilled cheese and more.
- Warm Zone: Use the designated Warm Zone to keep your food warm on the cooktop as you prep the rest of your meal.
- Keep Warm Setting: Use the Keep Warm setting in the oven to help your dishes stay warm until your family is ready to dig in.
- High Speed Preheat: Cook for a crowd and get dinner going quickly with our High Speed Preheat Oven. Our specially designed oven preheats in under 8 minutes* and fits large dishes like a full-sized 20 pound turkey with your side dishes. Get food on the table with our fastest preheat available.
- Smart Range: When you're busy elsewhere, use your smartphone to get

dinner started by remotely preheating the oven. Or, when your hands are full, use your compatible voice-enabled device to adjust the cook time or temperature with a voice command.*

- Smart Feature Updates: Stay on top of the latest cooking features and unlock new ones over time. Explore more ways to cook with updates through the Whirlpool app. *Appliance must be connected. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.
- Front Control Design: Easily upgrade your kitchen with the features you want and a premium look that brings controls to the front of the range for easy reach with Front Control Design.
- Cooktop Flexibility: Easily cook multiple dishes at once with a flexible cooktop that offers a range of burner sizes and power levels.
- Large Capacity Oven: Cook for a crowd and fit large dishes, like a full-sized turkey, into the spacious Large Capacity 5.0 cu. ft. oven.
- Storage Drawer: A Storage Drawer in the bottom of your range allows easy access to the items you use most and opens up space elsewhere.
- Sabbath Mode: Sabbath mode keeps the oven in Bake mode until it can be shut off, allowing you to cook and warm food during the Sabbath. All other oven settings, including temperature displays, sounds, changes in light status and cleaning cycles will be disabled.
- FIT System Limited Guarantee: Fits right, or we make it right. Upgrade your range without the construction zone. We're so confident your new Whirlpool® Slide-In Range will fit your existing space that we'll provide up to \$100 if your cabinets need a professional adjustment*.
