Model #: WTW5025SW

4.5 Cu. Ft. Top Load Agitator Washer with Built-In Faucet

Prewash clothes right inside this top load washer using a built-in washing machine faucet to help remove loose soils or select the washing machine Presoak Option to soak and wash in one cycle. Once you choose a cycle, the 360 Wash Agitator works to help provide a thorough clean. Plus, easily check on your laundry with a soft-close glass lid.

Features:

- Built-In Water Faucet: Easily prewash clothes and other items right in the washer with a conveniently located faucet that gives you easy access to an instant water stream to remove loose soils.
- Presoak Option: Save a step by soaking and washing in one cycle. The Presoak Option starts washing your laundry after a 30 minute presoak.
- Quick Wash Cycle: Your small, lightly soiled loads will be clean in as little as 30 minutes with the Quick Wash cycle.*
- Deep Water Wash Option: The Deep Water Wash Option fills the tub with more water to help soak and break down loose soils when you need.
- Smooth Spiral Stainless Steel Wash Basket: Help protect fabrics with this stainless steel wash basket that gently guides clothes during the wash.
- Extra Rinse Option: Help ensure dirty loads get the care they need with an extra rinse to wash away any lingering soils or detergent.
- 4.5 cu. ft. Capacity:
- 360 Wash Agitator: Multiple wash motions gently move clothes up, down and side to side throughout the cycle, helping to loosen soils and provide a thorough clean.
- Slow-Close Glass Lid: Easily check on your laundry with a soft-close, glass lid.
- Lid Lock: Unlock the lid anytime by pressing the start/pause button. Note that the lid does not lock until load sensing phase begins, at which point the lid lock icon on the console is illuminated.
- Clean Washer with affresh® cycle: Run the affresh® cycle every 30 washes with an affresh® washing machine cleaner tablet or liquid chlorine bleach to thoroughly clean the inside of your washer.
- An American Company for Over 100 Years: Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years
