Model #: WTW8127LW

Model #: WTW8127LW

5.2 - 5.3 cu. ft. Top Load Washer with 2 in 1 Removable Agitator

Intuitive technology brings you ease and proper fabric care with this Smart Top Load Washer. The 2 in 1 Removable Agitator along with the Adaptive Wash feature allow you to adapt your laundry experience for your laundry needs. Intuitive controls and a host of other smart features help ease your experience and provide the care your fabrics need. No subscription required.*

Appliance must be set to remote enable. WiFi & App Required. Features subject to change. Details and privacy info at whirlpool.com/connect.

Features:

- 2 in 1 Removable Agitator: The industry-first 2 in 1 Removable Agitator lets you customize any load to care for your clothes the way you want by easily swapping the agitator post in or out. With two ways to wash, it's twice the washer you have at home.
- Load & Go™ dispenser: Skip steps with the Load & Go™ dispenser. Simply add detergent once and skip refills for 20 loads.
- Pretreat Station Plus: Soak, scrub and wash all in one spot with a built-in, dual temperature faucet and pretreat brush for quick, easy access to tools that help you get it all done at once. Plus, you can add detergent to the water stream to spot-treat stains before they set in.
- Deep Water Wash Option: Get more water to help break down loose soils. This option automatically adds more water to your load, so heavily soiled clothes get an optimal clean.
- Smart Appliance: Connect to more. Enjoy smart features that help you streamline your laundry routine and keep your day moving. No subscription required.
- Intuitive Controls: Let the washer guide you to the right cycle combinations or customize up to 36 of your own to get the right type of fabric care for whatever you're washing.
- Automatic Presoak option: Tackle stains without a trip to the sink with the Automatic Presoak option. Set your washer to soak for 15, 30, 60 or 120 minutes, then the washer will add water and detergent for soaking. The cycle will start automatically once soaking is complete.
- Adaptive Wash Technology with Active Bloom™ Wash Action: Adaptive Wash Technology with Active Bloom Wash Action senses the size of each load and then adapts water levels and wash actions, based on the type of load being washed, for optimal cleaning.
- Delay Start option: Come home to clean clothes with the Delay Start option. Schedule a cycle up to 12 hours in advance so you can get laundry done even when you're not at home.
- 360 Wash Agitator Option: Thanks to the industry-first 2 in 1 Removable Agitator, you can easily reinsert the agitator whenever you want to switch back from the impeller. Multiple wash motions gently move clothes up, down and side to side throughout the cycle for a thorough clean.
- Smooth Impeller Option: Easily remove the industry-first 2 in 1 Removable Agitator when your load needs a little more space to move. Impeller wash action cleans by rubbing the fabrics against each other, while the design of the impeller's surface helps drive clothes from the outer rim to the center, where the deepest cleaning happens.
- Quick Wash Cycle: Your small, lightly soiled loads will be clean in as little as 30 minutes with the Quick Wash Cycle.
- Quiet Wash action: Quiet Wash action helps keep operational sounds inside the washer and out of living areas thanks to sound-absorbing material.
- 5.2–5.3 Cu. Ft. Flexible Capacity: Wash more than 2 baskets of clothes in a single load thanks to our washer with a flexible 5.2–5.3 Cu. Ft. Capacity. Keep the agitator in, or swap to the impeller for the extra room to wash bulky items.
- EasyView™ full-width slow-close glass lid: Enjoy a clean, streamlined look with the slow-close, see-through lid that lets you easily check on your load while it's washing.
- Sanitize cycle with Oxi: The Sanitize cycle with Oxi eliminates 99.9% of common household bacteria by mixing detergent with an oxi additive.
- Clean Washer with affresh® cycle: Run the Clean Washer with affresh® Cycle every 30 washes with an affresh® washing machine cleaner tablet or liquid chlorine bleach to thoroughly clean the inside of your washer.

Dan's Appliance

- ENERGY STAR® certified: ENERGY STAR® certified models exceed government standards to help conserve natural resources and save money on your utility bills.
- An American company for over 100 years: Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years.
- 850 RPM spin speed: Spin speeds up to 850 RPM remove moisture from clothes, so they spend less time in the dryer.
- Direct Drive Motor: There's less wear and tear on the transmission system over time thanks to a Direct Drive Motor that handles your larger loads with fewer moving parts.
- Schedule Wash Cycle: Schedule your washer so your clothes are ready for the dryer. Use the Whirlpool® App to tell the washer when you'll be home so it starts and ends the cycle on your schedule.
- Cycle Match: Get the right kind of dry for your load. The Whirlpool® App will suggest the dry cycle that matches the wash cycle you used.
- Favorite Cycles: Save your favorite cycles under any name and edit at any time. Access Favorite Cycles from the Whirlpool® App to send laundry cycles to your washer and start the load remotely.
- Quick Connect: You don't need to be a tech expert to connect your new appliance. Simply open the optional Whirlpool® app, add your appliance and follow the guided experience to get up and running quickly.
- Specialty Cycles: Get the right clean for your clothes by downloading Specialty Cycles from the Whirlpool® App for items like activewear, swimwear, sleeping bags and more.
- Personalized Quick Tips: The Whirlpool® App delivers quick tips to make sure your family's laundry gets the care it deserves while helping laundry day go more smoothly.
- Voice Control with a Compatible Voice-Enabled Device: Keep up with laundry no matter what you've got on your hands with simple voice commands using a compatible voice-enabled device.
- COMING SOON: Smart Reordering: Get laundry supplies delivered to your doorstep (or door) when it looks like you're running low. Connect your Whirlpool® App with your Amazon account and take advantage of exclusive Amazon offers, a wide selection of laundry supplies and reliable delivery.
