36" Concave Glass Wall Mount Range Hood

With three fan speeds, this 400 CFM motor class wall mount kitchen hood provides the right ventilation for every meal you prepare and looks good while doing so. Long-lasting LED task lighting shines a bright light to show you what's cooking, and a grease filter helps traps unwanted grease and odors. The range hood's convertible ventilation means you can vent vapors and odors outside or filter them and recirculate the air, depending on your kitchen ventilation system setup. When venting at low speed, sound levels can get as low as 44 dBA.

**Black Stainless
Dimensions**

Width: 36 in
Height: 28.875 in
Depth: 20 in

Features:

- LED Task Lighting: Bright, long-lasting LED task lighting makes it easy to see what you're cooking.
- Grease filter: The grease filter helps trap unwanted grease and helps remove odors.
- Fingerprint Resistant: Resist fingerprints and smudges with steel that easily wipes clean. Available in Black Stainless Steel.
- 3-Speed, 400 CFM Motor Class: Three fan speeds provide the right amount of ventilation for every meal you prepare.
- Convertible Ventilation (Recirculating or Vented): Vent vapors and odors outside or filter them and recirculate the air, depending on your kitchen's setup.
- 44 dBA (.7 Sones) at Low Speed: Keep the kitchen quiet, even when venting at the highest speed. At maximum speed, sound level is 66 dBA (5.5 sones).
